COMMENTS: (*explain):	<p>This was a complaint inspection. This farm is located on Rt 33 near the intersection with Bethany Church Road. The complainant was Ms. Kathy Hile who lives on Bethany Church Rd and whose telephone number is 540-872-2457.</p> <p>Ms. Hile telephoned me at DWE. Her complaint dealt with odors from the farm and she stated that it was from land application of human sludge. Her complaint was received late in the day on April 20th and checked on the next morning. The odor was from the land application of poultry litter and the farm has several poultry houses. She was notified by phone call of this finding.</p>
